MONTH-END NOTES / TOTALS

Record the eggs actually collected. Leave unused days blank.

Meet my flock

Keep each bird's identifying details together in one easy-to-find place.

FLOCK / KEEPER

UPDATED / FLOCK LABEL

KEEPER

COOP / LOCATION

Name / band	Breed / variety	Hatch date / age	Joined flock	Identifying notes

FLOCK NOTES

Use the bird's name or band consistently across your other flock records.

Health observation & vet sheet

Record what you notice and the instructions your veterinarian provides.

FLOCK / KEEPER

OBSERVATION PERIOD

CHECKED BY

NEXT REVIEW

Check	Date / initials	Repair / follow-up
Doors and latches close securely		
Wire, fencing and small gaps checked		
Run cover and overhead protection checked		
Ground edges checked for digging		
Feed stored in sealed containers		
Spilled feed and nearby hiding places cleared		
Waterers clean and working		
Bedding dry; ventilation openings clear		
Roosts, nest boxes and surfaces checked		

REPAIRS TO PLAN / SUPPLIES NEEDED

Check the coop again after damage or severe weather. These checks reduce risk; they cannot guarantee safety.

Emergency contact card

Keep current contacts where a keeper or sitter can find them quickly.
